Aliaksei	Strunets	01.09.2021	Programmer	Programmer	Enterprise Software Development	edit	delete
⋮							

1. Start

This is the start screen that shows all the main parts of the **WireframeSketcher**'s user interface.

You can find out more detailed information about each part by consulting the integrated help that can be opened using **F1**.

This description in particular is a screen note that you can edit using the **Notes** view.
